## Profile

Enthusiastic PYTHON DEVELOPER and CLOUD DEVELOPER and I have also recently earned a certification from AWS as Certified Cloud Practitioner. I have worked on a SALESFORCE technology project as an Intern and also worked as AI-ML project Intern in AICTE EDUSKILLS. I Possess excellent communication skills and I will maintain a 100% safety in my work throughout my career.

## Experience

APRIL'23 – MAY'23

### SALESFORCE DEVELOPER VIRTUAL INTERNSHIP

As a intern I used tools such as Apex and Visualforce, as well as frameworks like Lightning Component in order to develop apps.

MAY'23 – JULY'23

### AICTE AI-ML VIRTUAL INTERNSHIP BY AWS ACADEMY

Completed all Modules in AWS CLOUD AND MACHINE LEARNING

## Education

JULY 2020-2024

GITAM DEEMED to be UNIVERSITY

Bachelor of Technology in Computer Science and Engineering (CGPA – 8.33)

APRIL 2020

Tirumala Junior College

Intermediate in M.P.C Stream with Aggregate of CGPA 9.57

APRIL 2018

SASI E.M HIGH School – Tenth with CGPA of 10.0

## PROJECTS

### CHARITY DONATION WEBSITE:

I have worked as a member in a Charity website which was mainly used for donations like food, clothes and money. I used full stack tools like HTML, CSS and JavaScript and backend as a PhpMyAdmin. This project was useful for me to get real world experience and currently working on Cloud domain.
